

WEDDINGS
AT
STOCKTON HOUSE
APLEY ESTATE
1702

"We find ourselves at a loss for adequate enough adjectives to describe just how extraordinary this wedding venue is. Nothing about it is average and unless you've had the privilege of getting married there, it would be hard to fully appreciate the magic that Stockton House holds"

Emily and Gareth, September 2023

"If you want a story to grow old with, a place to be married that will stand for a lifetime for you to visit often and a church that is so perfect it felt like your own castle and you were the king and Queen, Stockton house is the wedding venue of a lifetime."

Abbie and Shane, February 2024

A WARM WELCOME AWAITS

Nestled in the beauty of Shropshire's rolling countryside, the Apley Estate proudly presents Stockton house, our stunning 18th century grade II listed venue.

With it's stylish Georgian design, walled garden dining room, elegant bar and spacious terrace, it has been lovingly restored with guest comfort in mind.

TIME TO SLEEP WELL

Our seven beautifully appointed, comfortable and spacious bedrooms, each with their own individual style, take inspiration from the natural beauty of the surrounding countryside.

ST CHAD'S CHURCH

Steeped in history, the pretty 11th century St.Chad's Church is located a stones throw from Stockton House for those couples looking for a traditional ceremony or blessing.

OUTDOOR CEREMONIES

Our beautiful landscaped gardens provide a perfect location for your civil ceremony or blessing. With your choice of a romantic ceremony under the trees or the Victorian Turning House, where you can step inside to sign the register, the house can be turned 360 degrees and upon coming back to face your guests, you will be an officially married couple.

THE WALLED GARDEN DINING ROOM

Our stunning walled garden 100 seater dining room has been purposely designed to create an intimate space to host your wedding breakfast and evening party. This beautiful space is also licensed for civil ceremonies.

INCREDIBLE FOOD AND DRINK

At Stockton House our passion lies in crafting and preparing sensational food, tailored to your specific requirements.

Our experienced culinary team led by Executive Chef, Thomas Ebbon will source only the finest quality produce to create your bespoke wedding menu.

From signature cocktails to hand selected Champagnes, you can be sure that we will create the perfect drinks pairing for your big day.

OUR COMMITMENT TO YOU

Our unique and personal approach is what sets us apart. From the first call or email, we engage with you to make you feel relaxed, informed and most importantly at home.

At Stockton House, we go the extra mile to fulfil your wishes from bespoke menus, personalised cocktails and stocking the bar with your favourite tippie.

We become like an extension of your family, nothing is ever too much trouble.

Love Amy and the Team x
